PUBLIC-DATA SNAPSHOT — built only from the Charity Commission register and 360Giving. No internal data was used.

Access Dorset — funding and finance at a glance

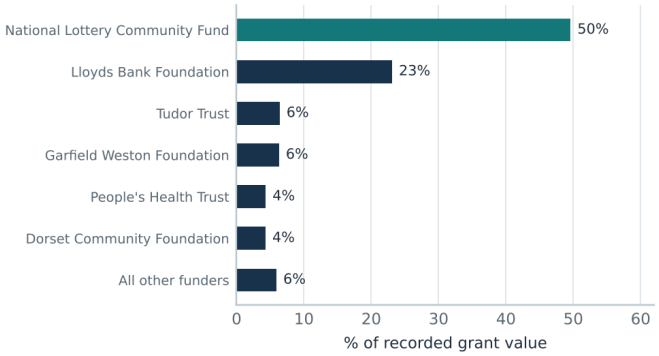

Registered charity 1142171 · Bournemouth

£151k	32	50%	25
income, year to September 2025	grants recorded, 2014–2026	of grant value from the largest funder	volunteers

Income and expenditure, 5 years

Who has funded Access Dorset, 2014–2026

Questions this raises — published data only, so these are questions, not conclusions

1. National Lottery Community Fund accounts for 50% of the grant value recorded on 360Giving, and the top three funders for 79%. Each will want its own figures. Are they produced from one set of records, or rebuilt for each funder?
2. Expenditure exceeded income by £29,981 in the year to September 2025. When that happens through planned use of reserves or grant timing, trustees need a clear forward view. How far ahead can the board currently see?
3. 25 volunteers support the charity. Volunteer hours are strong evidence in funding bids, and under SORP 2026 charities with income over £500,000 that report on their volunteers should give the number and the activities they support. Are hours and roles recorded as they happen, so they can be reported and valued?

What a Review would add. Published figures show the shape of the funding. Your own records show what each funder needs, how long it takes to produce, and where the numbers disagree. A Review maps one recurring report in five working days and shows what it would take to produce it once, checked, for every funder. The Reporting & Insight Review is £295, fixed price, no VAT, with a full refund if it doesn't give you at least three improvements you'd act on. Details at **zktheory.org/services**.
